

Travel Safe & Healthy

with International Stage Lines. www.islbus.com info@islbus.com

With our enhanced cleaning techniques, we are committed to ensuring your trip is clean, safe, and comfortable.

Sanitization Required.

- We will clean and sanitize our coaches, before every trip and at the end of the day.
- We will use products that meet CDC requirements for disinfection.
- Special focus on sanitizing high touch points.
- Entrance area handrails, parcel rack handrails, door latches.
- Headrests, armrests, seat belts and seat accessories.
- All surfaces in the restroom, including door handles.
- All surfaces within the driver's area.

Fresh Air Required.

- All cabin air completely exchanged with fresh air on highest setting.
- HVAC system air filters will be replaced with greater frequency
- Motor Coaches will be rotated, and scheduled off days for disinfection.

Wear a Mask Required.

- Passengers are required to wear a face covering while onboard the motor coach.
- Maintain physical distancing as best you can, as you enter and exit the coach
- Group Leader / Tour Director to Screen Passengers to ensure are healthy.
- PLEASE do not have anyone in your group travel if sick

Physical Distancing Required.

- Please stand apart by 6ft, when loading passengers.
- Board passengers to rear first.
- Disembark, passengers in front first.
- Hand Sanitizer located at front of bus for passenger use.

Our additional investments in intensified cleaning and protection help ensure a sanitary environment for drivers, staff, and passengers.

Cleaning protocols and safety procedures may change, as directed by the BC Provincial Health Officer, WorksafeBC, and/or the PTB.
